

This time management application allows you to plan out your day with ease and no complications. Easy to use for college students who are getting introduced to a hectic & busy lifestyle. Allows you to emphasize the most important of schedules so that you don't forget.

We all know how easy it can be to get distracted on social media. Our time management will have a feature to put time and/or limits on phone usage to avoid doom scrolling when you have important assignments and work to do.

As an application, there is only so much we can do online to help aid user with time management. To help outside of our application, we create videos to provide tips and tricks on how to better manage your time in your day-to-day life and learn changes that you can make to better manage your time from the moment you wake up.
